Fill in some details:

The screenshot shows the 'stack team app' interface with a 'User Details' modal form. The form has a dark blue header with the title 'User Details'. Below the header, there are five input fields: 'Name' (text input), 'Year of Birth' (dropdown menu), 'Gender' (dropdown menu), 'Country' (dropdown menu), and 'State' (dropdown menu). Each field has a placeholder text: 'Your Name', 'Please select...', 'Please select...', and empty dropdowns for 'Country' and 'State'. At the bottom of the form are two buttons: 'Save' (light blue) and 'Cancel' (white with blue border). The background of the app shows a blurred image of a soccer player in a blue jersey.

Parent / Guardian Information First:

The screenshot shows the same 'stack team app' interface with the 'User Details' modal form. This time, the form is pre-filled with the following information: 'Name' is 'A Superhero', 'Year of Birth' is '1976', 'Gender' is 'Male', 'Country' is 'Australia', and 'State' is 'Victoria'. The 'Save' and 'Cancel' buttons are still present at the bottom. The background of the app remains the same blurred image of a soccer player.
